This is an uplifting book that gives you a look at children's lives through parents' eyes. Bob Johnson, through his heart-warming poetry, takes us through that newborn's life as she grows up, has fights, finds friends, asks questions about Santa Claus and the doing of right and wrong, plays sports, starts thinking about boys, graduates from school, gets married, has her own child, makes decisions about life and what is important in life, and starts the circle of life over again. A truly magnificent and heartwarming celebration of feelings and life.
