You are invited to a one-of-a-kind reading experience. Enjoy a thrilling novel and a biblical commentary ripped from today's headlines at the same time. Revelation Road combines two books into one. The modern world has been thrust into chaos and uncertainty. Iran's nuclear threat; the burgeoning Arab Spring; the toppling of long-ruling Mideast despots and the power vacuum left in the wake; Israel's security under attack from hostile powers abroad and wavering support from America. Modern dangers? Yes, but calamities foretold in the Bible thousands of years ago. Revelation Road explains the events occurring on our darkening horizon and their Biblical significance.

George and Mimi Thompson believe their grandson Tyler lives in the final generation. Lovingly, they prepare the lad for life after the destruction of Damascus, the strategic strike of Iran's nuclear sites, the final Arab-Israeli war, nuclear terrorism in America, and the coming world religion and global government. Experience the End Times through the eyes of the Thompson family, and discover how their gripping story uncovers the silver lining of hope against the backdrop of global gloom and doom... Their family tale could soon become your reality!

Bill Salus is the author of *Israelestine; The Ancient Blueprints of the Future Middle East*. His timely book featuring the coming Arab-Israeli War of Psalm 83 became the premier work on the subject, and earned him respect among many of today's top eschatologists. In addition to being an author, researcher, and lecturer, Bill is also the radio host of the popular Prophecy Update Radio Program, and is frequently interviewed on numerous notable radio programs, and television shows.
