The Wrath of the Just (Apocalypse Z Book 3) Manel Loureiro

From apocalypse...

An act of terrorism unleashed an unspeakable biological weapon...and hell on earth. But as the masses felled by a hideous virus rose from the dead to prey on the living, a small band of survivors defied death and its ghastly spawn—determined to outrun the world's end and somehow begin again.

To Armageddon...

But beyond the undead-besieged shores of Europe lies something closer to damnation than salvation. Rescued from certain death at sea, a young Spanish lawyer, the beautiful woman he loves, and his brash, battle-hardened best friend—who have weathered the worst of the unnatural disaster—think they're escaping to freedom but are delivered into a stronghold of hate. In a United States ravaged by a zombie plague and overrun by the undead, only Gulfport, Mississippi, offers sanctuary...for a price: subservience to a fascist dictator and his brutal enforcers. But their reign of terror will soon be challenged—by rebels hungry for vengeance and invaders bent on conquest.
