The New Pillars of Modern Teaching (Solutions) (Solutions: Solutions for Modern Learning) Gayle Allen

Revamp the traditional pillars of pedagogy for the digital world. Using real-world examples and relevant stories, the author shares how educators can empower learners to design their instruction, curate their curriculum, and build feedback loops to assess their development. Acquire a deep understanding of the student's role in the digital classroom, and recognize the importance of making mistakes to move forward.

Benefits

- Investigate the effect technology has on the classroom and student work.
- Explore ways to support students in owning their learning.
- Move past the outdated, traditional pedagogical pillars-instruction, curriculum, and assessment.
- Incorporate the new pedagogical pillars-design, curation, and feedback-into the classroom.
- Gain practical resources and questions for reflection and discussion.
