Reading 'Desperate Housewives': Beyond the White Picket Fence (Reading Contemporary Television)

Reading 'Desperate Housewives': Beyond the White Picket Fence (Reading Contemporary Television)

The darkly comic series about the secret lives of Bree, Gabrielle, Lynette, Susan and the other ladies living on Wisteria Lane became an instant breakthrough hit when it premiered in the fall of 2004. *Reading Desperate Housewives* offers a wide-ranging critical assessment of one of the most talked about shows on American television, dissecting its appeal and tapping into early responses to the show and the controversy surrounding it. Essays consider such diverse issues as its representation of the war of the sexes and how it illuminates contemporary feminism, Republican politics and the rise of the Right, gender and femininity, motherhood and marriage--as well as the rumors surrounding that notorious *Vanity Fair* cover shoot. Also including an episode guide, this enjoyable companion asks: Has this show done for suburban women what *Sex and the City* did for the single girl?

Mary Stone:

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library in order to make summary for some guide, they are complained. Just little students that has reading's internal or real their passion. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring along with can't

see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Reading 'Desperate Housewives': Beyond the White Picket Fence (Reading Contemporary Television) can make you truly feel more interested to read.
