Jane Wilson, Terry Willard

Ancestors: A Beginner's Guide to Family History and Genealogy Jane Wilson, Terry Willard
Genealogy is the second-fastest growing hobby in America, but many would-be family historians are daunted by the sheer volume of information they must sift through and techniques they need to master in order to find their own past. Jim and Terry Willard have compiled an invaluable volume that makes researching one's own family lineage both accessible and fun. Based on the 10-part PBS series by the same name, *Ancestors* covers all the bases including creating a pedigree chart or family tree, finding and interpreting documents, and searching for your roots online. Jim and Terry Willard explain each technique with the assistance of ten expert genealogists. The book includes additional information not discussed in the series that will make it an invaluable companion for all would-be family historians.
