I Cuckold is the true story of my life as a cuckold. The first installment of this series covers my beginnings as an athletic, masculine man to the beginnings of my transformation into the total submissive cuckold I am today.

This book contains just under 10,000 words including extremely graphic descriptions of sex acts including strap ons, anal sex, group sex, bisexual experiences between both men and women, cheating wives, etc.

If you do not wish to read graphic accounts of all the above sexual scenarios, please do not download this book! On the other hand, if you enjoy reading about real life, kinky experiences, then this is the perfect series of books for you!

This first installment briefly covers my early life, then is devoted to Maria, the woman who shaped my early life and opened me up to sexual experiences that at that point in my life I had not known even existed. By the time Maria, her strap on, and her friends were done with me, both physically and mentally, there was not turning back. But at that point in my young life, it was really just the beginning.....
