**Quiero aprender. El arte de educar y motivar en un mundo globalizado (Spanish Edition)** Juan Miguel Pascual

La adolescencia no es un periodo sencillo. Padres e hijos, alumnos y profesores luchan cada uno desde sus propios intereses. ¿Qué les interesa a esos chicos? ¿Por qué no conseguimos entenderles? ¿Por qué, en definitiva, son a veces tan duros, injustos y apáticos?

Este libro trata sobre la problemática de la adolescencia en los estudios superiores. Una obra destinada a los profesionales de la educación, sí, pero también idónea para cualquier padre o adulto que quiera comprender, más de cerca, a esos revoltosos niños en su complejo camino de convertirse en hombres y mujeres maduros y responsables.

Se busca unir ambos grupos, adultos-adolescentes, empatizando con su punto de vista y perspectiva, creando estrategias comunes y entendiendo, que, en el fondo, estos chicos no son criminales ni verdugos, sino confusas víctimas de su contexto.
