The Effective Health Care Supervisor, Sixth Edition Charles R. McConnell

With an entirely new chapter devoted to “living with HIPAA” (Health Insurance Portability and Accountability Act), the revised sixth edition of this best-selling text, *The Effective Health Care Supervisor*, continues to provide students and professionals with proven, hands-on, practical applications of both classic and current management principles in the health care setting. Packed with strategies, techniques, and tools to build or reinforce your management skills and meet the never-ending challenges that one may face daily as a health care supervisor, students and professionals alike will benefit from this classic guidebook that is now more reader-friendly and accessible. Several review questions have been added to each chapter in order to encourage consideration of some of the points made in the chapter.
