Have you ever sat in a multiplex and had the movie ruined by selfish people around you? Have you ever wondered where you can watch something more fulfilling than the latest Hollywood sequel - and buy a particularly delightful piece of lemon drizzle cake as well? Then A Tour of the Indies is for you! It's a book about living your life how you want. It's also a book about watching films; about a passion for the experience of going to the cinema. A Tour of the Indies is nothing to do with snobbery, high art or obscure culture. Instead, it's about being unafraid to look beyond the mainstream and seeking greater satisfaction. In 2010, a friend took me to his favourite independent cinema. What happened next became a three-year quest for inspiration, creative fulfilment, and excellent cake.
