If you want a little kick in the ass for the New Year, maybe some inspirational quotes can help. Within this brief book, you'll read a new quote for every day for the next year (unless you're an impatient bitch and read them all at once), but these aren't those little uplifting, frilly quotes. These are quotes that will make you get your "big-girl panties" on and go out to conquer your day!

Some of these quotes do contain "grown-up" language, so if you don't like that sort of thing, please check out all the other wonderful quote books on Kindle that are more "toned down." Reviews bitching about profanity will be laughed at (since we are warning you here).

This isn't a guide to life, a how-to thingy, or a sermon. This is simply a reminder that chicks rule and they can do anything they want to do.

Never let anyone tell you that you can't! (If they do, kick 'em in the nuts!)
