Cool Gray City of Love: 49 Views of San Francisco Gary Kamiya

A runaway *San Francisco Chronicle* bestseller, *Cool Gray City of Love* is a one-of-a-kind book for a one-of-a-kind city. It's a love song in 49 chapters to an extraordinary place, taking 49 different sites around the city as points of entry and inspiration—from a seedy intersection in the Tenderloin to the soaring sea cliffs at Lands End. Encompassing the city's Spanish missionary past, a gold rush, a couple of earthquakes, the Beats, the hippies, and the dot-com boom, this book is at once a rambling walking tour, a natural and human history, and a celebration of place itself—a guide to loving any place more faithfully and fully.
