Milk of Amnesia

Donna Lethal

Milk of Amnesia Donna Lethal

Donna Lethal's debut is an authentic, can't-put-it-down page-turner, an astonishing first-time work about growing up in Lowell, Massachusetts (Jack Kerouac's home town) in the 1970s. With a stern ex-nun for a mother, a rascally bookie for a dad and a brother behind bars as often as not, Donna's purgatory years in Lowell make for unforgettable reading. Her book is peopled with a rogues' gallery of memorable local personalities, most hovering on the edge of small time crime, alcoholism, drug abuse and general oblivion. Funny and melancholic, sweet and brutal, it is everything a family memoir should be, a vivid flashback of haunting and hilarious memories arriving unbidden in the consciousness. Unlike some compulsive reads that evaporate after you've finished them, MILK OF AMNESIA's images will stay with you, making you laugh or tear up at unexpected moments.

From reader reviews:

Amy Dixon:

Do you considered one of people who can't read enjoyable if the sentence chained in the straightway, hold on guys this particular aren't like that. This Milk of Amnesia book is readable through you who hate those perfect word style. You will find the facts here are arrange for enjoyable studying experience without leaving perhaps decrease the knowledge that want to offer to you. The writer of Milk of Amnesia content conveys the thought easily to understand by many individuals. The printed and e-book are not different in the articles but it just different by means of it. So , do you nonetheless thinking Milk of Amnesia is not loveable to be your top checklist reading book?

Louise Best:

Spent a free a chance to be fun activity to do! A lot of people spent their spare time with their family, or all their friends. Usually they carrying out activity like watching television, going to beach, or picnic in the park. They actually doing same task every week. Do you feel it? Do you need to something different to fill your own free time/ holiday? Could be reading a book might be option to fill your free time/ holiday. The first thing you will ask may be what kinds of guide that you should read. If you want to consider look for book, may be the guide untitled Milk of Amnesia can be great book to read. May be it could be best activity to you.

Donald Shelby:

This Milk of Amnesia is great publication for you because the content that is certainly full of information for you who also always deal with world and possess to make decision every minute. That book reveal it details accurately using great arrange word or we can declare no rambling sentences inside it. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but hard core information with beautiful delivering sentences. Having Milk of Amnesia in your hand like finding the world in your arm, information in it is not ridiculous 1. We can say that no publication that offer you world in ten or fifteen small right but this guide already do that. So , it is good reading book. Heya Mr. and Mrs. hectic do you still doubt which?

Clarence Bowen:

Beside this kind of Milk of Amnesia in your phone, it can give you a way to get more close to the new knowledge or details. The information and the knowledge you will got here is fresh from your oven so don't always be worry if you feel like an older people live in narrow village. It is good thing to have Milk of Amnesia because this book offers to you personally readable information. Do you often have book but you rarely get what it's exactly about. Oh come on, that will not end up to happen if you have this in your hand. The Enjoyable blend here cannot be questionable, just like treasuring beautiful island. So do you still want to miss that? Find this book and read it from right now!
