Book 1 - Shifter's Uprising Series.

Can be read as standalone.

Carlin is an Alpha Wolf Fighter, one of only three in the top spots at the Souterrain - an underground fighting club, run by the Elite to punish shifters who have gone outside of the laws. He's happy enough, only has to fight exhibition matches, has his own apartment space, food and sex on tap - yep, life is good. So when Martin offers him the chance to fight for his freedom, Carlin turns it down. It's no fun being a lone wolf and Carlin is quite happy where he is.

Then Lucas catches his eye. A handsome man, a stunning fighter, moving up through the ranks fast. Lucas might not have the killer attitude that most men at the Souterrain have, but he's got the moves. Carlin has no problems insisting the man is bought to his apartment - sex is never a bad idea. But when he catches Lucas's scent and realizes the man is his fated mate, suddenly getting him to bed is the least of his problems. Lucas wants to be free, and for the first time in a long time, so does Carlin.

Unfortunately there is more to Lucas than meets the eye. Martin certainly has no intention of letting them go, and if he has to have Carlin killed to keep Lucas at the Souterrain, then the man has no problems with that either. Suddenly the deal Carlin makes with Martin goes horribly wrong, and Carlin and Lucas realize that the price for freedom might be Carlin's life, and even then Lucas will not be free.

Warnings: M/M sex, HEA, some violence (they are in a fight club after all). A growly Alpha who lets his emotions get the best of him, and a hybrid shifter with a wicked imagination.
