“The third greatest novel of the 20th century” Modern Library

“Joyce's depiction of the early Dublin life of Stephen Dedalus towers over modern literature, providing a stylistic blueprint and creative touchstone for artists young and old” Guardian

“There is nothing more vivid or beautiful in all Joyce's writing. It has the searing clarity of truth . . . but is rich with myth and symbol” Sunday Times

“‘This race and this country and this life produced me,’ declares Stephen Dedalus--artistic image of James Joyce himself--in ‘A Portrait of the Artist as a Young Man.’ ‘A Portrait’ is the story of how Stephen was produced, how he rejected that which produced him, how he discovered that his destiny was to become a lonely one of artistic creation.’ The New York Times

A PORTRAIT OF THE ARTIST AS A YOUNG MAN is Joyce’s brilliantly written semi-autobiographical coming of age novel set in Ireland. James Joyce is considered one of the greatest writers of the twentieth century. He transformed literature forever with ‘Ulysses’ and ‘Finnegans Wake.’
