America's First Marxist Muslim President: The Religious and Social Ideologies of Barack Obama (The Obama Cover-Up Book 3) V.F. Christoffer

Why did Obama stop sending military aid to Egypt when the Muslim Brotherhood was ousted by the Egyptian people? Why can't he say "terrorists" when referring to radical Islamist groups that kill innocents? Why does he have ritual scars from the Muslim Day of Ashura? Why are there six members of the Muslim Brotherhood in his administration? Why has he released GTMO prisoners that are sure to be assimilated back into ISIS and Al Qaeda?

Why did Obama closely align himself with Bill Ayers and his family? Who really wrote 'Dreams from my Father'? Why does he ardently promote social programs and stimulus packages that never work for the economy? Why was he a confirmed member of a socialist party when he began his political career? Why was Obama supported for years by a Saudi agent that helped him get into Harvard? Why does Obama favor progressive taxes on the rich and the redistribution of wealth?

While the Obama White House has misled the American public on many fronts, the biggest deception is Obama himself. Obama's narcissism and the sycophants that surround him have not served him well. In the past, he made every effort to hide his beliefs but now lies with impunity. He has still however not revealed the truth about his true religion and his social principles. Of course, his actions have revealed much in evidence of his social and religious predilections.

This book is based on information reported by Net Users, Researchers, Authors and Contributors whom I call NURAACs. This group also includes mainstream news organizations that publish online. These NURAACs have revealed in their web articles what they believe to be the truth about Barack Obama. These NURAAC articles show inconsistencies in claims made by the Obama White House and other "trusted" organizations about Obama's religious and social convictions.

Of course, this is just one side of Obama's staggering hubris and his effort to fundamentally change America into a Marxist state and third-world country. Of course, he would also force all Americans to convert to Islam and enforce Sharia as the law of the land. All hail Barackatus Felonious Duplicitous Narcissitus Islama Caesar Augustus, a legend in his own mind.
