Birds Without Wings

Louis de Bernieres

Birds Without Wings Louis de Bernieres

In his first novel since **Corelli's Mandolin**, Louis de Bernières creates a world, populates it with characters as real as our best friends, and launches it into the maelstrom of twentieth-century history. The setting is a small village in southwestern Anatolia in the waning years of the Ottoman Empire. Everyone there speaks Turkish, though they write it in Greek letters. It's a place that has room for a professional blasphemer; where a brokenhearted aga finds solace in the arms of a Circassian courtesan who isn't Circassian at all; where a beautiful Christian girl named Philothei is engaged to a Muslim boy named Ibrahim. But all of this will change when Turkey enters the modern world. Epic in sweep, intoxicating in its sensual detail, **Birds Without Wings** is an enchantment.
