Just when you thought it was safe, they're back...with more illicit tales of the rich and famous and behind-the-scenes looks at the users and abusers of the Hollywood elite.

Just like *You'll Never Make Love in This Town Again*, its best-selling predecessor, *Once More With Feeling* is as hot as it is heartbreaking. Recorded in anecdotal style, six women tell about their search for fame and fortune in Hollywood's fast lane, where instead of living their dreams, they fell prey to the seductive power of rich and famous men.

Sex scandals have rocked Hollywood since the industry began, but *Once More With Feeling: You'll Never Make Love in This Town Again, Again* is a brand new collection of stories that this town will never recover from - again.
