The Art of Deception: A Novella Christine McLean

Mark finally had everything he could dream of – the perfect woman, friends and family who loved him, and a career-changing story at the newspaper about the mayor’s mistress and his seedy backroom deals. Little did Mark know that his big break was about to take a sinister turn when his girlfriend was kidnapped right before his story was to be published. Unbeknownst to Mark, the mayor was a member of a secret society that had been running the city for decades and would stop at no lengths to protect both its members and itself.

In a thrilling world where no one is what they seem, and every character is at the mercy of the all-powerful organization known only as “The Society”, will our hero be able to untangle the web of deception and save the love of his life in time? Through dangerous twists and turns in this new world obsessed with power, wealth, and secrecy, Mark must rely on his friends, and his own sheer determination, to take back the woman he loves from the evil grips of The Society. Part love story, part mystery and part thriller, The Art of Deception will keep you on the edge of your seat and leave you begging for the sequel.
