## **The Baby Boomer Encyclopedia** Martin Gitlin

Comprising some 80 million Americans born between 1946 and 1965, the Baby Boomers have significantly changed every aspect of American history and culture. The members of this generation experienced some of the most tumultuous times in American history; indeed, the Boomers helped create these pivotal eras. From the advent of rock and roll to disco and rap, from the sexual revolution to the arrival of AIDS, and from race riots to the election of a black president, Baby Boomers have seen it all.

Through nearly 100 alphabetically arranged entries, this encyclopedia gives later generations insight into the contributions of the Baby Boomers, and it helps members of that generation better contextualize their own experiences. Included entries are written in a clear and engaging manner, covering politics and activism, entertainment, the economy, gender roles, arts, pop culture, sports, religion, drug and alcohol use, and many other subject areas.

### From reader reviews:

#### **Marc Starr:**

Have you spare time for the day? What do you do when you have far more or little spare time? Yeah, you can choose the suitable activity for spend your time. Any person spent their spare time to take a wander, shopping, or went to often the Mall. How about open or even read a book titled The Baby Boomer Encyclopedia? Maybe it is being best activity for you. You already know beside you can spend your time with the favorite's book, you can better than before. Do you agree with it is opinion or you have different opinion?

#### **Renee Chagnon:**

As people who live in often the modest era should be update about what going on or data even knowledge to make them keep up with the era which is always change and move ahead. Some of you maybe will certainly update themselves by reading books. It is a good choice in your case but the problems coming to an individual is you don't know what kind you should start with. This The Baby Boomer Encyclopedia is our recommendation to help you keep up with the world. Why, since this book serves what you want and want in this era.

#### **Hazel Fletcher:**

Playing with family inside a park, coming to see the coastal world or hanging out with pals is thing that usually you may have done when you have spare time, and then why you don't try matter that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love The Baby Boomer Encyclopedia, it is possible to enjoy both. It is good combination right, you still would like to miss it? What kind of hang-out type is it? Oh come on its mind hangout guys. What? Still don't obtain it, oh come on its referred to as reading friends.

#### **Jeff Jones:**

In this era globalization it is important to someone to get information. The information will make anyone to understand the condition of the world. The fitness of the world makes the information much easier to share. You can find a lot of personal references to get information example: internet, paper, book, and soon. You can view that now, a lot of publisher this print many kinds of book. The book that recommended to you personally is The Baby Boomer Encyclopedia this publication consist a lot of the information in the condition of this world now. That book was represented how does the world has grown up. The terminology styles that writer make usage of to explain it is easy to understand. The actual writer made some study when he makes this book. That's why this book suited all of you.
