After a frantic call from a couple on their honeymoon, Jillian returns to Half Moon Bay to help. Two elderly men have been found dead in their recliners, and now another man is missing—the distraught father of the bride - Jillian's personal assistant. Their investigation must be incognito since the groom is a detective and can't work on the case due to conflict of interest. The clues the threesome find lead Jillian and Teddy to take a cruise to Catalina Island, but it's only an entree into a strange clinical world, where she almost becomes a victim herself before she identifies who is responsible for a bizarre series of deaths. Will Teddy be in time to save the day?
