**Because I Remember Terror, Father, I Remember You** Sue Silverman

*Because I Remember Terror, Father, I Remember You* destroys our complacency about who among us can commit unspeakable atrocities, who is subjected to them, and who can stop them. From age four to eighteen, Sue William Silverman was repeatedly sexually abused by her father, an influential government official and successful banker. Through her eyes, we see an outwardly normal family built on a foundation of horrifying secrets that long went unreported, undetected, and unconfessed.
