Mein Kampf

Adolf Hitler

Mein Kampf Adolf Hitler

In 1922, just four years after the war to end all wars, an unknown Austrian then living in Bavaria planned a pamphlet to be called *Settling Accounts*. In it he intended to attack the ineffectiveness of the dominant political parties in Germany which were opposed to the new National Socialists (Nazis). In November 1923, Adolf Hitler was jailed for the abortive Munich Beer Hall putsch along with men willing and able to assist him with his writing. With the help of these collaborators, chief among them Rudolf Hess, the pamphlet became a book. *Settling Accounts* became *Mein Kampf*, an unparalleled example of muddled economics and history, appalling bigotry, and an intense self-glorification of Adolf Hitler as the true founder and builder of the National Socialist movement. It was written in hate and it contained a blueprint for violent bloodshed. When *Mein Kampf* was published in 1925, it was a failure. In 1926 a second volume appeared - it was no more successful than the first. People either laughed at it or ignored it. They were wrong to do so. As Hitler's power increased, pressure was put on all party members to buy the book. Gradually this pressure was extended to all elements of the German population. Soon *Mein Kampf* was even being passed out to newlywed couples as a gift. Ironically, and frighteningly, by the time Hitler came to power on January 30, 1933, what has been considered by many to be the most satanic book ever written was running neck and neck with the Bible at the top of the German bestseller lists. In his excellent introduction to this definitive American translation of *Mein Kampf*, Konrad Heiden writes: "For years *Mein Kampf* stood as proof of the blindness and complacency of the world. For in its pages Hitler announced -- long before he came to power -- a program of blood and terror in a self-revelation of such overwhelming frankness that few among its readers had the courage to believe it ... That such a man could go so far toward realizing his ambitions, and -- above all -- could find millions of willing tools and helpers; that is a phenomenon the world will ponder for centuries to come." We would be wrong in thinking that such a program, such a man, and such appalling consequences could not reappear in our world of the present. We cannot permit our selves the luxury of forgetting the tragedy of World War II or the man who, more than any other, fostered it. *Mein Kampf* must be read and constantly remembered as a specimen of evil demagoguery that people whenever men grow tired of thinking and acting for themselves. *Mein Kampf* is a blueprint for the age of chaos. It transcends in historical importance any other book of the present generation. In his translation Ralph Manheim has taken particular care to give an exact English equivalent of Hitler's highly individual, and often awkward style, including his occasional grammatical errors. We believe this book should stand as the complete, final, and definitive English version of Hitler's own story of his life, his political philosophy, and his thwarted plans for world domination. Translated by Ralph Manheim with an introduction by Konrad Heiden. A compilation of Hitler's most famous prison writings of 1923--the bible of National Socialism and the blueprint for the Third Reich.

From reader reviews:

Roger Dupre:

As people who live in typically the modest era should be up-date about what going on or facts even knowledge to make these people keep up with the era which can be always change and move forward. Some of you maybe will probably update themselves by reading through books. It is a good choice in your case but the problems coming to a person is you don't know which you should start with. This Mein Kampf is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and wish in this era.

Grady Meraz:

This Mein Kampf is great reserve for you because the content which is full of information for you who all always deal with world and get to make decision every minute. This book reveal it facts accurately using great plan word or we can claim no rambling sentences in it. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but hard core information with splendid delivering sentences. Having Mein Kampf in your hand like getting the world in your arm, facts in it is not ridiculous one particular. We can say that no book that offer you world inside ten or fifteen moment right but this guide already do that. So , it is good reading book. Heya Mr. and Mrs. busy do you still doubt this?

Donald Jones:

You are able to spend your free time to read this book this guide. This Mein Kampf is simple to deliver you can read it in the playground, in the beach, train in addition to soon. If you did not possess much space to bring the actual printed book, you can buy the e-book. It is make you quicker to read it. You can save the book in your smart phone. Thus there are a lot of benefits that you will get when you buy this book.

Paige Robinson:

Some people said that they feel uninterested when they reading a reserve. They are directly felt that when they get a half elements of the book. You can choose the book Mein Kampf to make your reading is interesting. Your skill of reading proficiency is developing when you including reading. Try to choose basic book to make you enjoy you just read it and mingle the feeling about book and reading especially. It is to be very first opinion for you to like to wide open a book and study it. Beside that the reserve Mein Kampf can to be a newly purchased friend when you're really feel alone and confuse with what must you're doing of this time.
