My Life as an Indian: The Story of a Red Woman and a White Man in the Lodges of the Blackfeet (1907) James Willard Schultz

Fascinating, firsthand memoir of a young white man's life among the Piegan Blackfeet in Montana Territory. Includes detailed accounts of religious ceremonies and customs, child-rearing, food preparation, tanning buffalo hides, war parties, raids, and much else. Of great interest to ethnologists and students of Native American history. First published in 1907, *My Life as an Indian* is the memoir of J. W. Schultz's life as a young white man among the Piegan Blackfeet in the Montana Territory. Out of curiosity and in search of adventure, Schultz went west and became a trapper and trader. He was inspired by the journals of Lewis and Clark and George Catlin's *Oregon Trail*, but found a wholly different source of inspiration when he met the Blackfeet and quickly settled into their lifestyle, even taking a Blackfoot woman for his wife and riding along with the men on buffalo hunts and wars with neighboring tribes.
