In *Painted Montana Sky*, a NOVELLA from the acclaimed Montana Sky Series, USA Today bestselling author Debra Holland brings together two people who have turned their backs on love and relationships. In 1894, Lily Maxwell, aspiring painter, travels to Sweetwater Springs, Montana, with her precious cocker spaniel to work on an artistic project that could launch her career. For years, Lily has denied herself happiness because of her equestrian accident that left her with a damaged hip, a limp, and a sense of unworthiness. Her inability to bear children has kept her from giving her heart to anyone. After rancher Tyler Dunn's wife abandoned him and their son, he wants nothing to do with women. But this new girl in town, with her lovely violet eyes and her wonderful talent, stirs feelings in Tyler. After Tyler rescues Lily's dog from being swept away by the river, Lily develops a friendship with him, the people on his ranch, and his young son, Oliver. Yet the two of them dare not give in to their feelings for each other. Can these lonely souls find their hearts' desires under the majestic Montana Sky? "The Montana Sky series is definitely one that I would recommend to historical romance lovers or for anyone looking for a romance that is just a simple sweet romance.
