Sea of Stars (The Cricket Series Book 2) Amy A. Bartol

Eighteen-year-old Cricket Hollowell was looking for her place in the world when she discovered that the universe was bigger—and more dangerous—than she had ever dreamed. Now, whisked across space to the planet Ethar, Cricket learns that her genetic ability to see the future makes her a sought-after commodity...and the catalyst for war between her star-crossed parents' clans. According to Alameedan prophecy, one house will rise to power and the other will be completely wiped out, and Cricket's precognition is believed to be the weapon that will tip the scales.

A target of both the Rafe and the Alameeda houses, Cricket finds protection—and a home—in the arms of Trey, her Etharian bodyguard-turned-boyfriend. But her visions of what's to come disturb her deeply, especially since she must discover whether the gift of foresight will allow her to rewrite the future, or if her fate is as immovable as the stars.

Winner of the 2015 UtopYA Awards for Book of the Year, Best Book Hangover, Best Couple (Cricket & Trey), and Author of the Year.

Marvin Seto:

The particular book Sea of Stars (The Cricket Series Book 2) has a lot associated with on it. So when you read this book you can get a lot of help. The book was compiled by the very famous author. The author makes some research just before write this book. This specific book very easy to read you can obtain the point easily after reading this article book.

Deanna Thompson:

As a college student exactly feel bored to be able to reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just small students that has reading's internal or real their passion. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Sea of Stars (The Cricket Series Book 2) can make you experience more interested to read.
