## EDITORIAL COMMENTS ABOUT THE VIOLET TRILOGY

We Stole Your Book Boyfriend – “These just keep getting better and better !! WOW I knew Violet's story would be good but this is going to blow us out of the water !!”

A Reader Lives a Thousand Lives – “What I like about this series is how real it feels. Relationships don't always go to plan, and the women don't always limit themselves to being in a relationship, which feels much more realistic than most romances.”

Smut and Bonbons – “With this author's stories I've been surprised and sometimes shocked with twists and turns. There is enough plausibility to make the story romantic and erotic but enough fantastical to give it edge and make it a bit uncomfortable at times. The moral ambiguity and edge can be a tricky thing but it's what also makes it unforgettable.”

Two Brain Book Review – “I have talked about Vivian's book quite regularly on our blog. And for good reason. I truly have loved each book. Vivian's stories are not the same story we all have read before. Never one dimensional. Each book has evolving plots that surprises me each time. I always gravitate to each new series.”

Serenity's Lovely Reads – “I have no idea how Vivian does it, but she manages to keep writing up some awesomeness.”

Sweet, Beautiful, Moments in West FL – “This series trilogy just keeps getting better and better....”

Secret Book Madness – “There wasn't one boring part of the whole book!!”

Louise Seraphim Reviews – “So, if you're looking for a short, extremely hot and intense novella story. With incredibly addictive characters and lots of twists and turns, Wild Violet is perfect. This is going to be yet another amazing set of novellas, that leave me desperate for more.”

The Reading Cow – “And again, Vivian Winslow delivers the super HOT & STEAMY sex scenes that I have become accustomed to throughout the Gilded Flower series.”
