The Heroes Reborn event series consists of six short thrillers based on the fascinating characters and rich mythology of NBC's world-wide hit TV series "Heroes", and the highly anticipated "Heroes Reborn". The new season picks up five years after the finale of the original series and finds those with special powers in a precarious and dangerous world where they are feared, persecuted and attacked.

This novelization is based on Tim Kring's original drafts of the script for episode one of "Heroes Reborn" and includes content not seen in the TV show.

A year after from the fateful events of the Odessa Summit, the world is a very different place. It's certainly no longer friendly for Evolved Humans - or "Evos" - who are held responsible for what happened. If the government doesn't find you, there are some tenacious and merciless Evo-hunters out there who will.

David Bishop is a comic book, crime, science fiction, horror and fantasy writer. He is the former editor of the UK comic, 2000AD. He has published twenty novels, including tie-in novels set in the worlds of "Judge Dredd", "Doctor Who", and "A Nightmare On Elm Street".
