Inspired Talks by Swami Vivekananda Swami Vivekananda

Originally published in 1938, this volume is one of the first that presented the words of wisdom spoken by the influential Indian Hindu monk Swami Vivekananda within the intimacy of his inner circle. He was already revered as a lecturer, but his flashes of pure brilliance were more often only heard in familiar conversation. This book was constructed from notes taken by a Miss S.E. Waldo from New York, who worked so closely with Swami that she could almost put his very thoughts onto paper. An enlightening and fascinating read, this book is recommended for inclusion on the bookshelf of any admirer of Swami Vivekananda. Many of these earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
