**Margaret Wise Brown: Big Red Barn and Goodnight Moon** Margaret Wise Brown

This book is beautiful. The illustrations are typically excellent Felicia Bond but with a little more drama than whimsy at times. Second best by Margaret Wise Brown (Goodnight Moon is obviously first). The words are lyrical, rhyming, and captivating to the very young, and the older crowd isn't bored to tears or annoyed beyond words after re-reading it a hundred times. I got this book for my son five years ago, and it was his favorite for quite a while. Now my one-year old daughter carries it around and wants it read to her constantly as well. We love it. I believe it's a timeless classic, and every little one should have it in their collection.
