Silence Is the Answer: To All the Noise of Doubt Robert E. Draper

Every day the news is filled with horror stories of war, atrocities, and other unspeakable acts. Yet how many are willing to consider that the source of these violent acts in a violent world is fear and, therefore, only different in form from our own hateful thoughts and unkind deeds toward ourselves and others? *Silence Is the Answer* not only explains the undeniable connection, but directs the reader toward the repair of the only world that needs fixing — one's own mind. Author Robert E. Draper culls countless examples from ancient history to the present day to demonstrate how often this world built on separation and fear makes no sense. Explaining the futility of attempting to change the ephemeral world of appearances, he encourages readers to heed the teachings of the wise, who from throughout the ages have taught that lasting safety can only come from self-examination and changing one's mind.
