Soviet Economy and the War bound with Soviet Planning and Labour (Collected Works of Maurice Dobb) Maurice Dobb

In *Soviet Economy and the War* the author presents a concise factual record of Soviet economic developments during a short period. This book outlines the economic planning and performance that accompanied the military training and preparation to meet the onset of Nazism.

To some extent complementary to Dobb's *Soviet Economy & the War*, the author offers detailed studies of a few special aspects of the Soviet Economic System.
