The Book of the Torah, Second Edition:

Thomas W. Mann

The Book of the Torah, Second Edition: Thomas W. Mann

The first five books of the Bible contain many of its most famous stories, populated by vivid characters altogether human in their triumphs and failings-and an equally complicated deity. Many works of Western art and literature appeal to these stories, from Michelangelo's painting of Adam and Eve to a novel like William Faulkner's *Go Down, Moses*. The three great Abrahamic religions (Judaism, Christianity, and Islam) are rooted here. So is much of Western political theory and constitutional polity, for a good half of these books contains legislation (torah) of various kinds, as indicated by the ancient title: the book of the Torah. Law and narrative together render the character of the ancient covenant community known as Israel, as well as the God who rules over that community. In this revised and expanded version of his popular book of 1988, Mann engages literary criticism and theology in attending both to the composite nature of the Torah (or Pentateuch) and to its final, canonical shape. Mann's study provides a lucid introduction to the heart of the Hebrew Bible, suitable for students and general readers, but also of interest to biblical scholars.

From reader reviews:

Peter Tesch:

What do you about book? It is not important with you? Or just adding material when you require something to explain what the one you have problem? How about your time? Or are you busy man? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Every person has many questions above. They have to answer that question simply because just their can do which. It said that about guide. Book is familiar on every person. Yes, it is suitable. Because start from on jardín de infancia until university need this specific The Book of the Torah, Second Edition: to read.

Georgia Martinez:

Information is provisions for folks to get better life, information presently can get by anyone in everywhere. The information can be a know-how or any news even a concern. What people must be consider when those information which is from the former life are challenging be find than now could be taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you have the unstable resource then you buy it as your main information there will be huge disadvantage for you. All of those possibilities will not happen within you if you take The Book of the Torah, Second Edition: as your daily resource information.

Maria Bruns:

Playing with family in the park, coming to see the coastal world or hanging out with pals is thing that usually you may have done when you have spare time, and then why you don't try thing that really opposite from that. Just one activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love The Book of the Torah, Second Edition:, you may enjoy both. It is fine combination right, you still would like to miss it? What kind of hang-out type is it? Oh can happen its mind hangout folks. What? Still don't obtain it, oh come on its known as reading friends.

David Gilbert:

Many people spending their time period by playing outside using friends, fun activity with family or just watching TV all day long. You can have new activity to spend your whole day by reading through a book. Ugh, you think reading a book can definitely hard because you have to use the book everywhere? It ok you can have the e-book, getting everywhere you want in your Touch screen phone. Like The Book of the Torah, Second Edition: which is getting the e-book version. So , why not try out this book? Let's observe.
