This ambitious undertaking gathers in one volume all the important elements of the seven Supplemental Liturgical Resources published earlier and now revised following extensive use throughout the church. It is useful to ministers and congregations in planning and leading worship. The book provides orders of worship and liturgical texts for each Sunday and for every festival and season throughout the year, and includes the Lord's Supper, baptism, daily prayer, marriage, funeral, and pastoral liturgies. The lectionary, a collection of prayers for a variety of uses, and the psalms, are also included. This practical and valuable book will certainly be the church's principal resource for planning and leading worship for decades to come.
