Handbook of Social Capital: The Troika of Sociology, Political Science and Economics

Handbook of Social Capital: The Troika of Sociology, Political Science and Economics

"The Handbook of Social Capital" balances the 'troika' of sociology, political science and economics by offering important contributions to the study of bonding and bridging social capital networks. This interdisciplinary Handbook intends to serve as a bridge for students and scholars within all the social sciences. The contributors explore the different scientific approaches that are all needed if international research is to embrace both the bright and the more shadowy aspects of social capital.
