## **Le Versailles de Louis XIII (French Edition)** Jerome Stavroguine

Le palais et la ville de Versailles constituent l'héritage légué par Louis XIV à la France. Pourtant, le palais du Roi-Soleil est entré bien plus tôt dans la famille royale. Henri IV chassa sur des terres encore vierges de toute maison royale. Il y emmena son fils, qui se souvint, plus tard, du lieu pour y bâtir un pavillon de campagne (ou de chasse). Ce "petit château" fût d'abord le témoin muet des intrigues de cour et des renversements politiques du règne de Louis le Juste et de Marie de Médicis.

Véritable reconstruction historique, cet ouvrage est une vision d'un Versailles dont il ne reste à présent que quelques traces diluées dans le faste du palais actuel, le pavillon de Louis XIII étant englouti, enchâssé dans le palais de son fils - qui jamais ne voulut détruire la bâtisse de son père.
