Rock Art of the Grand Canyon Region Don D. Christensen, Jerry Dickey, Steven M. Freers

Over the past 25 years the authors have worked in cooperation with the Kaibab National Forest, Grand Canyon National Park, Bureau of Land Management/Arizona Strip, and the Grand Canyon-Parashant National Monument to analyze the hard data and to form a comprehensive overview of the 5,000 years of Native American art painted and engraved on the walls and boulders within the greater Grand Canyon region.... This visually stunning book opens a window to the past within the majestic Grand Canyon region rarely seen by the millions of visitors who visit this area annually. It is a feast to both the serious rock art researcher and to the general public who may not be aware of the enticing and elaborately rich rock art found in some of the more remote areas within this spectacular landscape.
