## **The Flesh of the Orchid** James Hadley Chase

James Hadley Chase scores again with a sensational sequel to the unforgettable *No Orchids For Miss Blandish*.

Carol Blandish was the daughter of Miss Blandish and a maniac killer. She was beautiful. She was the heir to six million dollars. And she was a prisoner in a mental home.

All she had to do to inherit the money was escape, and stay out for fourteen days.... But a whole lot of other people were after the Blandish fortune—and that meant they were after Carol : once outside the mental home, she found herself mixed up in a deadly hide-and-seek of violence and sudden death... There was Roy Larson, who couldn't keep his hands off that beautiful body : and there were the Sullivans, professional killers who'd rather have their hands on the money...

For those who wish to be riveted to their chairs, the petty worries and troubles of daily life forgotten, *The Flesh of the Orchid* is a must. — STAR (London)
