## **The most imaginative and gripping time travel story you will ever read!**

Image the combination of four amazing films - 'The Perfect Storm' meets 'The Philadelphia Experiment' meets 'Contagion' meets 'Pirates of the Caribbean', and you will have the plot for Time Ship.

### **The Story**

During a daring raid on a secret Pirate stronghold in the Caribbean, Captain Rob McGregor of the Sea Dancer and his own pirate crew steal the infamous treasure belonging to Captain William Kidd. Rich beyond their wildest dreams, Captain McGregor and his band of pirates set out to sea, their ships' holds full of pirate booty.

When they are hit by the most intense electrical storm of the 17th Century, the Sea Dancer is transported through time to the year 2014. Bemused, hungry and thirsty, Captain McGregor and his crew sneak into a secluded bay in Puerto Rico, hoping to find food and water.

Instead they find a 'palace' : an exclusive five-star holiday resort for the rich and famous.

Scared, bewildered and desperate, they take over the resort, holding everyone hostage.

Quickly, the situation goes from bad to worse. Within hours of landing at the Blue Emerald Bay Resort, several of the crew fall sick. When one dies, the resort doctor identifies it as a unique and new strain of pneumonic plague, never before seen in the 21st Century, and an infection so deadly, that if it infects the residents of the Blue Emerald Bay and escapes the confines of the resort, could threaten to wipe out the human race...

## What People are Saying about "Time Ship"

*"A riveting read that kept me on the edge of my seat and guessing 'till the very end! This book has it all - mystery, romance, the past and the future. With brilliant characters and an attention to detail that paints wonderful pictures in the minds eye. It's funny, exciting and extremely clever. I was not able to put this book down, I was constantly eager to see what was coming next. It's a brilliantly written book that left me feeling like I'd been on an adventure."*

*"I kept wondering how anyone could possibly have thought of this and then woven the story to such an extent that you actually believed that lots of this was fact and not a story at all! The ending was phenomenal and showed a more than fertile imagination. I laughed out loud! The books were read first by my husband who muttered every so often 'This guy is amazing. His writing is so clear, and his imagination is (literally) out of this world.' "*

*"A brilliant concept - science put across in an easily understandable way and a thrilling read. Packed with thrills, spills (literally!), adventure, history, romance, thought provoking scientific possibilities of time travel and epidemiology. This book crosses so many genres yet contains plenty of fun and humour. A must buy."*
