Dark Quartet: The Story of the Brontes Lynne Reid Banks

The Bronte sisters - Charlotte, Emily and Anne - are some of the best-known, and best-loved, English authors.

But less well-known were the two other Bronte sisters, Maria and Elizabeth, who died before reaching adulthood, and their brother Branwell, who was haunted by his own demons until his death in his thirties.

Their home, Haworth Parsonage, stood on the edge of the Yorkshire Moors like a rock in a tempest.

After the death of Maria and Elizabeth, the four remaining children returned to its cheerless rooms and dreamed their wild and shining fantasies, bound together by a mutual passion for literature and for their beloved moors.

Forced by poverty to emerge from Haworth to earn their living, the sisters were set free to write their extraordinary novels.

But for their brother, it meant ruin.

In 'Dark Quartet' Lynne Reid Banks tells the beautiful, haunting story of the Brontë family and their perilous path to fame.

'Thoroughly gripping' — Cosmopolitan

'Lynne Reid Banks has written an exciting and absorbing book and has offered us her answers to some of the mysteries of the lives of the Brontës' — Irish Times

'A novel which will open many eyes afresh to the lives of the remarkable and gifted Brontës' — Yorkshire Post

Lynne Reid Banks is a best-selling British author for both children and adults. Her first novel, 'The L-Shaped Room', was adapted into a successful film, as was her children's book 'The Indian in the Cupboard'. Her account of the lives of the Brontës, 'Dark Quartet', won the Yorkshire Arts Association Award and was followed by a sequel, 'Path to the Silent Country: Charlotte Bronte's Years of Fame'.

Endeavour Press is the UK's leading independent publisher of digital books.

From reader reviews:

Santa McNabb:

What do you about book? It is not important together with you? Or just adding material when you want something to explain what your own problem? How about your free time? Or are you busy man? If you don't have spare time to do others business, it is make one feel bored faster. And you have spare time? What did you do? All people has many questions above. They have to answer that question because just their can do which. It said that about publication. Book is familiar on every person. Yes, it is right. Because start from on guardería until university need this Dark Quartet: The Story of the Brontes to read.

Christopher Hannah:

Reading a publication tends to be new life style with this era globalization. With reading you can get a lot of information that may give you benefit in your life. Having book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their very own reader with their story or perhaps their experience. Not only the storyplot that share in the ebooks. But also they write about the data about something that you need instance. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors in this world always try to improve their expertise in writing, they also doing some study before they write to the book. One of them is this Dark Quartet: The Story of the Brontes.

Gina Keller:

Your reading 6th sense will not betray an individual, why because this Dark Quartet: The Story of the Brontes publication written by well-known writer whose to say well how to make book that can be understand by anyone who else read the book. Written within good manner for you, leaking every ideas and creating skill only for eliminate your hunger then you still uncertainty Dark Quartet: The Story of the Brontes as good book not simply by the cover but also with the content. This is one book that can break don't determine book by its include, so do you still needing one more sixth sense to pick that!?! Oh come on your reading sixth sense already said so why you have to listening to another sixth sense.

Sabrina King:

A lot of publication has printed but it takes a different approach. You can get it by internet on social media. You can choose the best book for you, science, comedy, novel, or whatever through searching from it. It is known as of book Dark Quartet: The Story of the Brontes. You can add your knowledge by it. Without leaving the printed book, it may add your knowledge and make a person happier to read. It is most important that, you must aware about e-book. It can bring you from one destination to other place.
