## **Halo: The Cole Protocol** Tobias S. Buckell

In the first, desperate days of the Human-Covenant War, the UNSC has enacted the Cole Protocol to safeguard Earth and its Inner Colonies from discovery by a merciless alien foe. Many are called upon to rid the universe of lingering navigation data that would reveal the location of Earth. Among them is Navy Lieutenant Jacob Keyes. Thrust back into action after being sidelined, Keyes is saddled with a top secret mission by ONI. One that will take him deep behind enemy lines, to a corner of the universe where nothing is as it seems.

Out beyond the Outer Colonies lies the planet Hesiod, a gas giant surrounded by a vast asteroid belt. As the Covenant continues to glass the human occupied planets near Hesiod, many of the survivors, helped by a stronghold of human Insurrectionists, are fleeing to the asteroid belt for refuge. They have transformed the tumbling satellites into a tenuous, yet ingenious, settlement known as the Rubble--and have come face-to-face with a Covenant settlement of Kig-Yar . . . yet somehow survived.

News of this unlikely treaty has spread to the warring sides. Luckily for the UNSC, this uneasy alliance is in the path of the Spartan Gray Team, a three-man renegade squad whose simple task is to wreak havoc from behind enemy lines in any way they see fit. But the Prophets have also sent their best--an ambitious and ruthless Elite, whose quest for nobility and rank is matched only by his brutality . . . and who will do anything to secure his Ascendancy and walk the Path.

#### **Mamie Bostic:**

Information is provisions for anyone to get better life, information nowadays can get by anyone on everywhere. The information can be a expertise or any news even restricted. What people must be consider whenever those information which is within the former life are challenging to be find than now is taking seriously which one would work to believe or which one often the resource are convinced. If you find the unstable resource then you get it as your main information it will have huge disadvantage for you. All of those possibilities will not happen in you if you take Halo: The Cole Protocol as your daily resource information.

#### **Keith Reese:**

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Halo: The Cole Protocol can make you really feel more interested to read.
