The Hitler Legacy: The Nazi Cult in Diaspora: How it was Organized, How it was Funded, and Why it Remains a Threat to Global Security in the Age of Terrorism Peter Levenda

More than thirty years after his first investigation of the Nazi underground Peter Levenda has returned again and again to his quest for the truth about the true character of the Nazi cult and the people and political movements it has influenced in the decades since the end of World War II.

The wide sweep of this investigation moves from a Ku Klux Klan headquarters in Reading, Pennsylvania to the New York City office of the Palestine Liberation Organization; from the apartment of a notorious neo-Nazi leader to an Islamic boarding school--headquarters of the man who ordered the Bali Bombings. When Levenda uncovered the existence of a Nazi underworld in Asia, the nexus of religion, politics, terrorism and occult beliefs was revealed to be the real domain of the threat to global security.

Meticulously researched--from both archival material and declassified intelligence agency files, to personal interviews and investigations undertaken in Asia, Europe and Latin America--*The Hitler Legacy* is the story of how the mistakes of the 20th century have come home to roost in the 21st.

This book will challenge the conventional thinking about such subjects as the Muslim Brotherhood and Islamist terrorism and even about the alleged death of one of history's most infamous killers--Adolf Hitler.
