## **Anthem (Reissue)** Ayn Rand

Written with all the power and conviction that made THE FOUNTAINHEAD and ATLAS SHRUGGED classics of American letters, Ayn Rand's ANTHEM is a hymn to man's independent spirit and to the highest word in the human language -- the word "Ego." ANTHEM tells the story of a man who rediscovers individualism and his own "I" It is a world of absolute collectivization, a world where sightless, joyless, selfless men exist for the sake of serving the State; where their work, their food, and their mating are prescribed to them by order of the Collective's rulers in the name of society's welfare. It is a world which lost all the achievements of science and civilization when it lost its root, the independent mind, and reverted to primitive savagery a world where language contains no singular pronouns, where the "We" has replaced the "I," and where men are put to death for the crime of discovering and speaking the "unspeakable word." ANTHEM presents not merely a frightening projection of existing trends, but, more importantly, a positive answer to those trends and a weapon against them, a key to the world's moral crisis and to a new morality of individualism -- a morality that, if accepted today, will save us from a future such as the one presented in this story.

### From reader reviews:

#### **Calvin Baker:**

What do you consider book? It is just for students because they're still students or that for all people in the world, what the best subject for that? Merely you can be answered for that query above. Every person has diverse personality and hobby for every single other. Don't to be forced someone or something that they don't wish do that. You must know how great and important the book Anthem (Reissue). All type of book are you able to see on many sources. You can look for the internet solutions or other social media.

#### **Katie Johnson:**

Many people spending their period by playing outside together with friends, fun activity together with family or just watching TV the whole day. You can have new activity to enjoy your whole day by looking at a book. Ugh, do you think reading a book can definitely hard because you have to use the book everywhere? It alright you can have the e-book, taking everywhere you want in your Smart phone. Like Anthem (Reissue) which is keeping the e-book version. So , try out this book? Let's find.

#### **Jennifer Mitchell:**

Is it you actually who having spare time and then spend it whole day by watching television programs or just laying on the bed? Do you need something totally new? This Anthem (Reissue) can be the respond to, oh how comes? A book you know. You are consequently out of date, spending your time by reading in this completely new era is common not a geek activity. So what these ebooks have than the others?

#### **Bethany Archie:**

As we know that book is very important thing to add our knowledge for everything. By a guide we can know everything we would like. A book is a group of written, printed, illustrated as well as blank sheet. Every year seemed to be exactly added. This reserve Anthem (Reissue) was filled about science. Spend your time to add your knowledge about your scientific disciplines competence. Some people has several feel when they reading a new book. If you know how big selling point of a book, you can experience enjoy to read a publication. In the modern era like currently, many ways to get book you wanted.
