New Interchange is a multi-level series for adult and young-adult learners of English from the beginning to the high-intermediate level. The Student's Book, Level 2, builds on the foundations established in the Level 1 for accurate and fluent communication, extending grammatical, lexical, and functional skills. Beautiful color photographs and illustrations facilitate the teaching of new vocabulary. The New Interchange series teaches students to use English for everyday situations and purposes related to school, work, social life, and leisure. Every bundle contains the Student's Audio CD, with all the recorded material from the Class Audio Program, with the exception of the Listening Activities. As with the other levels of New Interchange, a complete set of ancillaries, including a video program, is available to make classes interesting and productive.
