Not all romances are sweet and fluffy.

Pounding music and writhing bodies fill the dance floor at Night Moves. A small, very elite group of friends called The Bad Boys Club use the place as their personal hunting grounds. Spoilt, powerful, and totally amoral, they use men without thought for the consequences of their actions. But each of these predators harbors a secret desire, a passion, that drives him.

And it hasn't gone unnoticed.

Three dangerous paranormals on the prowl for a mate stalk the humans. Dark and deadly desires are their calling cards. A demon prince, an ancient vampire, and one of the deadliest werewolves to exist have their sights on The Bad Boys Club and their sensual secrets. Love comes in all forms, even for unscrupulous humans and lethal paranormals.

Publisher's Note: Bad Boy's Club contains the previously published novellas Lust and Ice, Into the Darkness, and Haunting the Night.
