NEW YORK TIMES and USA TODAY Bestselling Author

When accountant Ben Weaver awakens after an erotic dream, he encounters a wife who is unwilling, uninterested, and who once again has a headache. The unworldly but focused Ben decides he will do anything to rekindle his sex life, including imitating the erotic techniques of billionaire Christian Grey from the Fifty Shades series. Unable to withstand the pent-up ache radiating from his tender blue testicles, Ben decides to take Grey's methods to a whole new level in order to relieve the pressure on his . . . er, marriage.

Shocked by her husband's unusual plan, Kate Weaver hesitates in giving him what he desires. But for all his trappings of non-success--his ordinary accounting job where coworkers steal his sandwiches and brag about their sex lives, his lack of wealth, his inability to seduce his own wife--Ben is a man with one saving talent: the driving determination to reignite his sex life no matter what it takes. When the couple embarks on a daring and dangerous physical adventure, Kate discovers her husband's fanatical zeal to explore all of Christian Grey's darkest desires, with calamitous results.

Erotic, hilarious, and highly disturbing, *Fifty Shades of Grey: The Experiment* is a spin-off that will titillate you, amuse you, and stay with you until the next erotic romance crosses your Kindle.
