Genes, Giants, Monsters, and Men: The Surviving Elites of the Cosmic War and Their Hidden Agenda

Joseph P. Farrell

Consider the possibility that the history of the human race is not as simple as what has been taught in classroom textbooks. Consider the possibility that the evolutionary scientific explanation for mankind has ignored critical facts that are buried deep within the fossils and mankind's DNA. Consider the possibility that the religious stories that have often been the core basis for mankind's understanding of where it belongs in the history of creation may actually reveal a planet occupied with tyrannical giants and an elite highly intelligent race bent on genetic mutation.

As horrifying as such possibilities are, *Genes, Giants, Monsters, and Men* sets forth a plausible theory revealing a hidden history of mankind and a possible reason that it has remained veiled for hundreds of thousands of years. With his well-documented style and breathtaking conclusions, Dr. Joseph P. Farrell pulls back the veil and takes the reader on an odyssey behind the mysterious history and myths of the human race.

Joseph P. Farrell is a recognized scholar whose credentials include a PhD in philosophy from the University of Oxford. His literary contribution is a veritable resumé unto itself covering such fields as Nazi Germany, sacred literature, physics, finances, the Giza pyramids, and music theory. A renowned researcher with an eye to assimilate a tremendous amount of background material, Farrell is able to condense the best scholastic research in publication and draw insightful new conclusions on complex and controversial subjects.

From reader reviews:

Dennis Thorpe:

As people who live in the modest era should be upgrade about what going on or info even knowledge to make these keep up with the era and that is always change and make progress. Some of you maybe may update themselves by looking at books. It is a good choice to suit your needs but the problems coming to you is you don't know which you should start with. This Genes, Giants, Monsters, and Men: The Surviving Elites of the Cosmic War and Their Hidden Agenda is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and wish in this era.

Yvonne Wagner:

Reading a publication tends to be new life style within this era globalization. With reading through you can get a lot of information that could give you benefit in your life. Along with book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. Many author can inspire their particular reader with their story or perhaps their experience. Not only the storyplot that share in the publications. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors on earth always try to improve their proficiency in writing, they also doing some investigation before they write to the book. One of them is this Genes, Giants, Monsters, and Men: The Surviving Elites of the Cosmic War and Their Hidden Agenda.

Carl Vincent:

Spent a free time for you to be fun activity to complete! A lot of people spent their down time with their family, or their own friends. Usually they carrying out activity like watching television, likely to beach, or picnic in the park. They actually doing same thing every week. Do you feel it? Do you wish to something different to fill your personal free time/ holiday? Could be reading a book may be option to fill your no cost time/ holiday. The first thing that you'll ask may be what kinds of guide that you should read. If you want to attempt look for book, may be the publication untitled Genes, Giants, Monsters, and Men: The Surviving Elites of the Cosmic War and Their Hidden Agenda can be great book to read. May be it might be best activity to you.

David Colon:

This Genes, Giants, Monsters, and Men: The Surviving Elites of the Cosmic War and Their Hidden Agenda is great reserve for you because the content which can be full of information for you who always deal with world and possess to make decision every minute. This particular book reveal it details accurately using great arrange word or we can declare no rambling sentences inside it. So if you are read this hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but tricky core information with wonderful delivering sentences. Having Genes, Giants, Monsters, and Men: The Surviving Elites of the

Cosmic War and Their Hidden Agenda in your hand like having the world in your arm, details in it is not ridiculous one. We can say that no e-book that offer you world throughout ten or fifteen second right but this reserve already do that. So , it is good reading book. Hey there Mr. and Mrs. stressful do you still doubt this?
