Fabric, thread, and tool glossaries identify the properties, workability, and best uses of common sewing materials. And, perhaps best of all, when you need it most, Martha and her talented team of crafts editors offer you the reassurance that you really can make it yourself.

The projects are as delightful as they are imaginative, and include classic Roman shades, hand-drawn stuffed animals, an easy upholstered blanket chest, a quilted crib bumper, French knot-embellished pillowcases and sheets, and Japanese-embroidered table linens, among many others. With gorgeous color photographs as well as expert instruction, this handy guide will surely encourage beginners and keep sewers and crafters of all experience levels wonderfully busy for many years to come.
