Rethinking Humanitarian Intervention: A Fresh Legal Approach Based on Fundamental Ethical Principles in International Law and World Religions Brian D. Lepard

Few foreign policy issues in the past decade have elicited as much controversy as the use of military force for humanitarian purposes. In this book Brian Lepard offers a new method for analyzing humanitarian intervention that seeks to resolve conflicts among legal norms by identifying ethical principles embedded in the UN Charter and international law and relating them to a pivotal principle of "unity in diversity."

A special feature of the book, which avoids the charge of ethnocentricity brought against other approaches, is that Lepard shows how passages from the revered texts of seven world religions may be interpreted as supporting these ethical principles. In connecting law with ethics and religion in this way, he takes a major step forward in the effort to formulate a normative basis for international law in our multicultural world.

Ramiro Alvarez:

Is it you who having spare time subsequently spend it whole day through watching television programs or just laying on the bed? Do you need something new? This Rethinking Humanitarian Intervention: A Fresh Legal Approach Based on Fundamental Ethical Principles in International Law and World Religions can be the answer, oh how comes? A fresh book you know. You are thus out of date, spending your spare time by reading in this new era is common not a geek activity. So what these ebooks have than the others?

Jack Caldwell:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we

know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Rethinking Humanitarian Intervention: A Fresh Legal Approach Based on Fundamental Ethical Principles in International Law and World Religions can make you really feel more interested to read.
