As a university student, I exactly feel bored for you to reading. If their teacher asked them to go to the library or make a summary for some review, they are complained. Just very little students that have reading's spirit or real their interest. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country.
